SHOP Local

Interested in expanding your customer base in your local market?

SHOP Local is your simple solution! You can save out-of-pocket marketing and advertising expenses by partnering with SHOP Local. Businesses who join the SHOP Local program are connected with more than 180,000 independent distributors, their networks (who understand the power of word-of-mouth marketing) and millions of customers who are motivated to make purchases at participating businesses.

No risk marketing = no upfront costs or monthly fees! There's no software to install, no training for employees – just more customers and revenue. The tracking of purchases is handled for you, while you simply enjoy the perks of an established customer loyalty program. SHOP Local will help you build loyalty and grow your business locally with ease.

The SHOP Local Program is offered by SHOP.COM. SHOP.COM is one of the Top 100 ecommerce sites in the world, generating billions of dollars in revenue by selling over 40 million products into almost every country on Earth. The SHOP Local program will allow you to tap into SHOP.COM's existing customer base, among other benefits.

For more information about the program or to register, contact the customer who gave you this flyer or visit http://shoplocal.shop.com.
